

RAW FROZEN PET FOODS

We like to support local businesses and carry a unique line of frozen foods obtained fresh from an area butcher. Beef mixed with Kidney & Heart comes in a 5# tube, Beef with mixed Veggies, and Chicken with Ground Bone are both available in 2# tubes. Our Turkey Necks are huge and contain lots of meat. The cartilage is great nutrition. They come 2-4 per package or a box of 30 can be special ordered. Chewing on raw beef bones is a great way to help keep your pet's teeth clean. We have all sizes available and they can be packaged by us to your liking.
